### The Role

We're seeking a passionate and detail-oriented **Visual Content Controller** to join our dynamic Design team. You'll work closely with the Creative Director to manage the creation of stunning brand visuals, from photoshoots and video shoots to other content collaborations.

### Key Responsibilities

- Manage any new visual content projects, under the Direction of the Creative Director, from concept to final deliverable, with special attention to detail and timelines.
- Document creative briefs before the start of each project and maintain clear communication with internal and external stakeholders until project completion.
- Be the link between Phoenix and third-party suppliers for relevant content projects, ensuring timely delivery of all planned projects.
- Constant follow-up and attention to detail on project-specific deliverables.
- Vendor management & supplier negotiations
- Management of Logistics required to shoots.

### Requirements

- Bachelor's degree in a related creative field (photography and videography preferred), administrative field, or minimum 2 years of experience in a similar role.
- Possess an open mind and a passion for challenging the status quo while contributing to a team pushing creative boundaries.
- Ability to work with and understand new languages relevant to business and creative domains.
- Strong sense of design aesthetics and familiarity with the company's style and current trends.
- Enthusiasm for design and fashion, coupled with the ability to quickly learn and adapt to the company's style requirements.
- Proficient in English and Microsoft Office products, particularly Excel.
- Well-organized, with excellent planning and project management skills. Capable of working efficiently under pressure and tight deadlines.
- Self-motivated, proactive, and takes initiative, demonstrating independent thinking within a collaborative environment.
- Confident and comfortable expressing ideas, demonstrating a willingness to think outside the box.
